Introduction

Scroll Top adds an intuitive icon at the bottom-right corner of each page so that with one click you will be at the top of the page. No more dragging of the scroll bar. It will be just fun and ergonomic to use. Scroll Top is an uncomplicated free Open Source Magento Module allowing site visitors to immediately and seamlessly get back to the top of your web page after scrolling a lengthy page.

Please Note:- This Module Adds Scroll to Top Button in Magento Store Frontend. Scroll to Top Button Automatically gets activated when you scroll down.

Features

1. Simple, Open Source & Free.
2. No more dragging scroll bar.
3. Available on all pages of Magento Store Frontend.

Installation Guide

From your magento root directory run these below commands:-

1. Setup :- **Extract the zip folder in app/code**
2. Run :- **php bin/magento module:enable HK2_ScrollTop**
3. Run :- **php bin/magento setup:upgrade**
4. Run :- **php bin/magento setup:static-content:deploy**

How to Configure & Check ?

1. Enable from **Backend** - **Store** - **Configuration** - **HK2** - **Scroll Top**

Once the Module has been activated by changing **Enable** = **Yes & saving it.**
Clear the Cache & then you can check the **Magento Store Frontend** & on the Bottom Right Side you can see the Scroll To Top Icon.
